

SANDY BRITNELL | CHILDREN OF DESTINY

We hope this message finds you well. As we reflect on our journey of running a pre-vocational center in Jinotega Nicaragua, we have come to a profound realization. Our center has become a hub of activity, with many more children and adults on our property. While this fills our hearts with joy and purpose, it also brings with it the challenge of increased wear and tear on our facilities.

For those of you who have had the opportunity to visit us in Jinotega, you'll recall that excellence has always been at the core of everything we do. We take pride in employing dedicated and compassionate Godly teachers and staff who wholeheartedly strive to make the best out of the resources entrusted to us by God.

Over the years, we have cultivated a meaningful relationship with a foundation, and their unwavering support has been instrumental in our endeavors. Recently, they generously granted us funds to undertake essential upgrades and repairs, allowing us to maintain our facility at its best. This support ensures that everything runs smoothly and efficiently, benefiting all those who walk through our doors.

While the grant covers specific upgrades and repairs, we want to be transparent about its limitations. Unfortunately, it does not extend to our monthly operational budget, which includes essential expenses such as food, electricity, staff

Increased crop production

Remodeled shed for more space for activities and woodworking

salaries, and supplies. However, this is where the true heart of our community shines.

It is through the kindness and generosity of donors like you that we are able to sustain our day-to-day operations. Your continued support has been the backbone of our vocational center, and we are deeply grateful for each and every one of you. Together, we form an unbreakable team that propels us forward, empowering us to make a lasting impact on the lives of those we serve.

Thank you for your unwavering dedication and continuous support. You are an integral part of our team, and we are profoundly thankful for your commitment to our cause. Together, we can continue to make a difference in the lives of those we care for.

With heartfelt gratitude,
