

My name is Jeferson José Herrera. I'm 14 years old and I study 7th grade at Alfredo Alegría public school. I'm in computer class at the CCGJ and I like to be here because we play soccer and they teach us that we can be happy. The CCGJ have changed my life, before used to misbehave, and nothing really mattered to me but now I have been able to learn to be obidient and behave. I thank GOD and the CCGJ for each person that help us because thanks to all of them we have been able to get closer to GOD.

May GOD bless you.
