Hello, my name is Doreymis Roxana Pineda Herrera. I'm 11 years old and I'm in the computer class and I also study 6th grade at Alfredo Alegría public school. The CCGJ has changed my life because the new knowledge in the computer class will help to make my dream come true which is to study Business administration. I have learned also a lot from the word of GOD, to believe in HIM and in addition I've learned to worship him with our dance. I have received love and care from all of you and I am thankful because you support me as my family. Thankful with all of my heart. GOD BLESS YOU!
